## I Love Lady Love

There's little wrong with girl-on-girl sex that I can see. This is recreational sex, not procreational. Think about it... How many times do people of age have sex in, say twenty years. Then think about how many times it's being done to get pregnant. I think the percentages will astound you. Then throw in another variable like the two amazing hotties, Christina and Darcie in your last issue and you have a fool proof argument for the aforementioned girl-ion-girl pleasure. I think that's a great argument, my girlfriend, unfortunately not so much.

— José, San Diego

## Terrific Tori

And I do mean terrific. If there is a more beautiful and wanton, vixen in adult, then please let me know asap. But I think not. She has to be it. If you doubt me, check out the body (pun intended) of her work over the years and you'll see a cute girl become a beautiful women right before your eyes. It's a magical transformation that few have been able to do. And what a more beautiful example than her. Kudos Tori, keep on keeping on, mon cherie

— Mac, Montreal

## Now That Was Hot!

I'm writing to tell you what a really, and I mean really, hot pictorial it was of the threesome with Naudia Nyce. She's always been one of my faves because I like dark, swarthy women like her. And it was cool to see her contrasted against a really white blonde. But it was the sex. Not your typical threesome. The way they used their toys was amazing. I've done toys with a girlfriend or two, but nothing like those three, now that was hot! And what made it even hotter was that it was shot outside. No dark shadowy light. We get to see everything in all it's sunlit glory. I hope you can give us more exciting layouts like this one. And be sure to include the videos of them, that's such a great bonus to have the magazine open in front of you while the hot action is on screen!

— Brad, Evanston

## Kiara's the Bomb

I hope that you will print my letter. I'd like to address it to Kiara Diane, but it's really for all the fine women you publish in your magazine. I only wish that FOX was coming out every month! But I recently found out that some of the other mags you guys publish as just as hot and sexy. I'm going to look into that further next month because I have to leave town for a couple weeks. But when I get back, I'm going to the newsstand and check them all out more carefully. But back to Kiara. Besides having a great name, she's gotta be some sort of model. I'm going to look her up online and see if there's other stuff of her that I've been missing. I hope she's into girls as well as guys. If she is, then that will excite me even more. I'll let you know!

— Ayden, Reno

**Oh Anthony!... Mr. Pete!...**

Are you guys ready to fuck me? I've waited all week for your cocks. You guys better make me cum at least twice today. *Dillan, your so hot, we may just cum before fucking you. But we'll do our best to fuck you good. Are your holes ready for us?* Ok, who gets my mouth, my pussy... and who gets my tight butt first?

# THE MAN CAVE

ON BEING THE  
OTHER MAN

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

One house rule I had when I was married was that I would never cheat on my wife. And I stuck to it. Unfortunately, she did not. It was painful, but I managed to survive. Now it was my turn to be the "other man." I had already received a picture of Clara and knew that if she even looked half as good as she did in the picture then everything else would work out just fine. She said she was really unhappy at home and was just looking for a tryst. A romantic affair with no need for a relationship. She was tall, toned and tanned with legs that seemed to go on forever. Her medium-sized breasts seemed absolutely perfect and all real. I imagined that I could taste her sweet nipples, sucking and lightly nibbling each one just enough to make her moan for

more. I couldn't wait to meet this beautiful woman in person.

We agreed to meet at a local coffee spot and see how things went from there. I got there before Clara and was already sitting at our table when she arrived. Just like her photo, she was gorgeous. Her blonde hair just barely brushing her shoulders. Her blouse was just thin enough that I could see the outline of her lacy bra underneath. When I looked in her eyes, it just took my breath away. And her lips, oh baby, so luscious and pouty. Perfect to wrap around my thick eight inch cock, which by now was definitely waking up. What could possibly be going on at home that she was looking to hook up. I really didn't care.

BLAIR-NTS-03

When it gets dark, everyone goes inside. So we went to the park and were walking around just talking and enjoying the night and the company when I felt Clara tug on my arm. She looked me in the eyes and asked, "Are you nervous?" Of course my response was, "No, should I be?" Clara then told me, "No reason. I just thought by now you might try and kiss me, at least I was hoping that you would."

Well, who was I to turn down an invitation like that? After making sure that it would be alright to kiss her, I took Clara to the edge of the walk path where there was a picnic table and bench and helped her to sit down. I then took her face in my hands and ever so slowly lowered my lips to her. At this point my heart started to race in my chest, my breathing was speeding up, and of course my cock was straining to be freed from my pants. I could feel Clara running her hands along my back and the tops of my thighs. She was moaning from pleasure, her chest heaving, and reaching out to grab my cock. The feel of her hand on my very hard member felt like electricity shooting through my body. I truly thought that I would cum right then and there.

I reached up and lightly felt her breasts through her shirt and bra. Clara told me to take her shirt off, so I did. She then helped me to ease her bra off and then her breasts spilled onto her chest. Not wanting to seem too over eager, I lightly brushed my lips and tongue over her hard nipples. I got so lost in the feel of her hand on my cock and my mouth on her boobs that I didn't at first realize that she was guiding me down to lie on top of the picnic table. I lay on my back and she fed her nipples back into my mouth, all the while she was doing this I felt her unzipping my pants freeing my now very stiff and thick cock.

Clara helped me to slide my pants down around my knees and then she began to kiss and suck me through my boxer briefs. Just feeling her hot breath through my briefs was so erotic. My cock was so hard at this point that it was peeking out over the top of my waist band of my briefs. She slid my briefs down to meet my pants at my knees, leaving my cock free to her inspection. After staring at my cock for a couple of minutes, she said a little worriedly, "I really don't know if I will be able to get you inside of me." I asked her why she would think that and she said, "Because the largest cock I have had was no where near as big around as you are." I told Clara not to worry, it would definitely fit.

**I lay on my back and she fed her nipples back into my mouth, all the while she was doing this I felt her unzipping my pants freeing my now very stiff and thick cock.**

Clara gave me a look of disbelief and asked, "Will it fit in my ass too?" Now this blew my mind as I have never had a woman just straight out make a point of saying that they would like to have my cock fill their ass, so I asked Clara, "Is that what you want?" Clara only had eyes for my tool and was staring at it as if that was who was talking to her and she answered, "Yes, I want the whole thing." I assured her that we could try and if it got to be too much for her then we would stop.

Clara began running her tongue all over my cock, flicking her tongue over the head. She slowly took one of my balls into her eager mouth and began sucking on it, too. She was kissing my dick from top to bottom and then she took it deep. I ran my hands through her hair and started moving my hips to the rhythm of this great sucking. She had all but about an inch in her hot mouth when I felt the first stirrings of spunk trying

to rush up through my cock. She must have realize that I was about to cum because she clamped down tighter on my cock and forced the whole thing into her mouth. I called out to her that I was about to cum and she started to pump my cock faster, her head bobbing up and down faster and faster. My hips were thrusting harder and harder. Just when I couldn't take it anymore and knew that I was going to cum, I jumped up which caused her to sit on top of the picnic table, and I stood up on the bench.

I wrapped my hands in her hair and shoved my cock all the way in and began fucking her mouth, pounding away while her tongue was doing all sorts of incredible things to my balls. She never missed a drop, I shot stream after stream of hot jizz into her waiting mouth and she kept swallowing. When I had finally finished, I pulled out my cock and looked at Clara. She just smiled and said, "I love to suck cock, did I forget to tell you?" I just looked at her and smiled and said, "Now it's your turn."

Clara said she wanted to have her pussy eaten really good but more than that she wanted to try and get my hard cock into that ass. Not one to turn down a woman such as this, I definitely agreed, but only after I had gotten her good and wet. After helping to ease her out of her lacy thong panties, I buried my face between her beautiful thighs, the heavy aroma of her sweet pussy tickled my senses. I slid my first finger lightly

down the crack of that beautiful ass, all the while letting my spit and her juices create a lube worthy of any good ass fucking. I found the opening of her hot little brownie and let the tip slip in ever so slightly. I didn't feel any resistance so I slid it in a little more. Feeling this, Clara pushed back against my finger causing it to slide in even further, all the way to the last knuckle. Damn, this hot woman was fucking my finger and my face like there was no tomorrow.

**I wrapped my hands in her hair and shoved my cock all the way in and began fucking her mouth, pounding away while her tongue was doing all sorts of incredible things...**

I asked if she was ready and Clara affirmed that she was more than ready. She said she wanted to lie on her back and put her feet up over my shoulders, that way she could play with her button while I was fucking her ass. I took my cock and ran it all over her pussy and ass, getting it good and wet. Then she took matters out of my hands and lifted her hips to meet the head of my cock. By doing this, she got it started in about a half inch. I lifted her ass up a little higher, and buried my cock all the way in her ass. She was getting so turned on that she began to scream, telling me to go harder and faster. I was fucking this hot piece of ass like it was a pussy, hearing my balls slap against her ass. She began to cum, her love juices pouring out. That's when some unwelcome headlights illuminated us and we shrunk away. All I hoped is that it wasn't her man!

A photograph of two young women with long brown hair, identified as Celeste and Sinn Sage, sitting on a bed and kissing. The woman on the left is wearing a white short-sleeved crop top and denim shorts. The woman on the right is wearing a light blue halter-neck bikini top and white bikini bottoms with a blue trim. They are both looking at each other and smiling. The background shows a bed with a patterned pillow and a nightstand with a lamp.

Where to start? We're best of friends and we do a lot of things together. Things that many best friends wouldn't even think of doing. Like fucking each other before a camera. And in the end, we're gonna cum, and cum, and cum. And you get to watch us do it all.

## Not Too Easily Impressed...

Fortunately for you guys, we girls are easily impressed. Whether you are a big political honcho, throw a football or date models, we girls are going to be into you. That was the case with this geek we met and flirted with him at the computer store. He said he was hacking into sites to help his friends. A day later we went back in and asked him if he could show us how to do it and then we'd wash his car for him.

# OFF THE RECORD

AH, IT'S THE PORN LIFE FOR ME

## CHRISSY MARIE

is really quite a piece of work. To look at her, even in these photos, you'd think her the perfect girl next door, just a little bit gussied up in lingerie. But what this pert little exterior is hides is a penchant for leather, gags, whips, and all that fun stuff found in a dungeon.

*FOX: Good morning Chrissy, so very nice to meet you. Thank you for meeting me on such short notice. I know you have to leave soon, so let me get right into it. Are you a newbie to porn?*

*Chrissy: Yes, Hi right back at you. If you consider three years and less than fifty scenes a newbie.*

*FOX: What kind of scenes do you do? What will you do?*

*Chrissy: I am young and I am horny and I want to try everything sexual, I can't think of anything I won't do. So far I've been doing a lot of BDSM in addition to some relatively straight stuff.*

*FOX: Do you consider yourself bisexual?*

*Chrissy: Of course, I like sex with girls and I like sex with guys and sex with guys and girls together.*

*FOX: Why did you decide to get into adult entertainment? Making videos. How did you start?*

*Chrissy: Believe it or not, I knew some performers doing movies and they introduced me to the right people. It was a time that I had just ended a relationship and I was on my own. I said to myself, what do I want, a boring office or mall job, or to have lots of sex and make money doing it? It was a no-brainer, I chose sex and money.*

# CHRISSY MARIE

---

*FOX: That's great for now, but what are your goals and dreams for the future?*

Chrissy: I don't really know. I like what I'm doing and having a lot of fun with it. Ask me again in a year or so.

*FOX: Not to get personal, but those shorts are pretty short. If you were to drop them, would I see panties under those tiny shorts?*

Chrissy: No, not usually, maybe a thong if anything. Wanna see?

*FOX: Uh, no, but thanks. What do you wear to sleep at night?*

Chrissy: Rarely anything. Just skin on sheets. I love to feel the cool sheets against my naked body. If I'm with a partner, I'll wear some sexy lingerie, but you know that doesn't stay on long.

*FOX: When you're not with a partner, may I ask if you masturbate yourself to fall asleep?*

Chrissy: Yep, almost every night. There have been a few times that I actually fallen asleep with my vibrator in my pussy. I'd wake up, find it still in me, but the batteries had died. It's actually kinda funny, but you have to be there.

*FOX: We wish we were. And if we were, we'd ask you what are some of your biggest turn ons?*

Chrissy: I consider myself a bit of a cum lover. When I did my first threesome scene, I came without even touching my pussy. I love giving head and having the guy cum on my face or on my tits or anywhere else on my body. Especially when I'm bound and gagged. I love to fuck and to have my pussy eaten for a long time.

*FOX: Have you ever had sex in public? If so, did you get caught?*

Chrissy: I've done my share of the wild thing out

# CHRISSY MARIE

---

there in the great outdoors, like at the movies, in the park, on the beach. We've never gotten caught, but there have been people around and sometimes they were watching. Nobody's reported us, so they must have liked the show!

*FOX: Do you do it because it's a turn on for you?*

Chrissy: Most of the time. Sometimes it's just a matter of circumstance and location. And I like the attention. That is what turns me on, not necessarily the sex. You can have better sex in the bedroom.

*FOX: And now the obligatory questions most asked by our readers, do you enjoy anal sex?*

Chrissy: Yep, most of the time. I know some girls don't even want to try it, because they think it will hurt. But you lube up and relax, and if you get used to it, it starts to feel good. Real good! I envy those girls that can cum easily doing it, or that can take it for long periods of time. That must take a lot of lube!!!

*FOX: Do you like having your butt attended to and licked? Do you return the favor?*

Chrissy: I love to having my ass licked. Who doesn't; and fingered and fucked. And I will return the favor with my finger or tongue. I especially like doing it to girls because I can relate and every one of them likes it. They seem more willing when it's a girl back there than a guy.

*FOX: tell me something about yourself that might surprise some of our readers.*

Chrissy: I like going to a farm and hanging out with the animals. They are so cool, and live in a whole other reality. I like the bigger animals most, like the cows and horses. I could watch horses all day long. Have you ever seen the dick on a full grown stallion? That's amazing!

*FOX: Maybe I will, but in the meantime, please let me thank you again for a wonderful hour with you.*

Orange is the  
new dick.

We've been lucky, or cursed, with men with a small dicks. After trying for years to make their cocks larger, we learned a little trick or two. To make our pussies tighter. We learned to contract my vaginal muscles to 'grip' cock tight. Our other trick is to have them fuck our asses! Now there it feels huge! But in the meantime, we're having a little pussy riot ourselves. No cock. Just a long, think orange double dong!!!

*You look good enough to eat!!*

My ass is closed to all but my man. But my pussy is open to all. So, I hope you like what you see on the following pages. You won't be disappointed if you just imagine how soft and wet my pussy feels as your cock penetrates me and I moan and groan as you fuck me. Now wouldn't that be nice? Nice for me too!
